Sunday, March 18, 2018: 10:00 AM – 4:00 PM

The Model Train Show appeals to all ages. Younger children who enjoy Thomas the Tank can actually operate trains on a Lionel layout. Older children can view a layout made entirely of Legos and there will be five additional train layouts in several scales. Club members will raffle off a complete train layout with DCC (Digital Command Control). In addition, visitors can view old or new trains and procure materials for model railroading with over 260 model train dealer tables. Door prizes will be given away hourly during the entire two days of the show. The public can bring in their excess model railroad equipment and sell it at the White Elephant tables.

This will be the Piedmont Division's 20th annual train show!

Sponsored by the Piedmont Division of the National Model Railroad Association.
